The Senior Advisory Committee Presents A Day To Commemorate Alzheimer's Awareness Month

Memory/Behavioral Screenings are being offered by Gerontology Specialist, Elna Tymes between the hours of 1:15 P.M. & 5:00 P.M. in The Counseling Room. Sign-up at the front desk for one of five available time slots.

Note: Memory screenings are not used to diagnose any particular illness and do not take the place of a neurological examination.

"Communicating With Cognitively Impaired Persons"

This one-hour, evening workshop for care givers will begin at 7:00 P.M. in The Small Meeting Room. Participants will learn techniques that can be helpful as they interact with confused individuals. An extensive question and answer period with Senior Advisory Committee health care professionals will follow.

Both Programs Will Be Held At
The Mountain View Senior Center
266 Escuela Avenue
Mountain View, CA 94040
